Project Name: **Walnut Creek WWTP Secondary Process Improvements - REBID**
CIP ID: **3023.039**
Solicitation No.: **CLMC643A**

SUBJECT: Answers to Bidders' Questions as of the date of this letter, per 00020-IFB Article 2 BID DOCUMENTS and 00100-ITB Article 1.9 Further Information.

The following are answers to prospective Bidder's questions as received on the referenced project. These answers do not modify the Contract. Any modifications to the Contract will only be through formal Addendum.

- Q-1:** The Advertised documents are password protected, which does not allow us to separate sections of the documents to send to subcontractors, bonding company, insurance carrier, etc. Would you be able to provide the password or otherwise unlock the documents for our use?
- A-1:** In response to your request, please send an email to Kevin Benson at the City of Austin Capital Contracting Office requesting the unlocked documents. His email address is Kevin.Benson@austintexas.gov. A download link will then be provided via an external source for immediate download. Please note that these unlocked documents are unofficial and the City of Austin is providing these documents for convenience only. The bidder is responsible for any discrepancies between these and the official documents on the Austin Finance Online System. These unprotected documents include a statement on the cover sheet stating that the documents are not for construction, but rather for reference only, as released under the authority of the Engineer for the convenience of the bidders. **Please note that any document revisions will only be issued as addenda through the Austin Finance Online System.**
